WORK EXPERIENCE **Freelance** **April 2015 — Present**

Web Developer

During 3 years of my activity, I have created over 10 commercial websites and blogs using modern technologies and commercial platforms, such as wordpress (woocommrc), opencart.

England.in.ua **January 2016 — Present**

CEO & founder

For more than 2 years, I am the owner of an online store for men's clothing. The store was first created on the wordpress platform (woocommerce), and subsequently converted to OpenCart. I am currently engaged in its SEO promotion. You can read more about the project at england.in.ua
